

The Best of Traditional Irish Music @ Creative Connexions '23

We are delighted to put together some of the finest exponents of traditional music in Ireland for this year's 10 year celebration. All with busy solo performing careers they also perform alongside some of the leading Irish bands and have busy touring careers in Ireland, the UK and the US. We are delighted that they have taken the time to team-up for Sitges '23 to showcase the best of what is out there in Irish traditional playing at the moment. A gig not to be missed they will also have some special guests join them and you can expect an outstanding finale to this event.

From a Kila member to a Fleadh Cowboy this gig will have energy in abundance!
