

Craobh Phiarais

Since our foundation in 1955, **Craobh Phiarais Uí Ghréagáin** has been nurturing **Ceol is Cairdeas le Chéile**: music and friendship together. Based in the Cultúrlann in the heart of Monkstown in Dublin, students come together to learn a variety of different instruments and to collaborate on anything from homework to harp tunes. Working together with some of the best teachers in Irish traditional music, the students foster strong musicianship, and put their skills to the test in competitions like the all-Ireland Fleadh Cheoil. Students and teachers from Craobh Phiarais have performed around the world in Rome, Donostia-San Sebastian, Scotland, Paris, London, the US, and many other places— but Sitges has always been Craobh Phiarais' home away from home. Having performed in **Sitges Live** festivals since 2014, we are very excited for the return of the festival.
